

2017

Horiguchi, R., Nozu, R., Hirai, T., Kobayashi, Y., Nakamura, M. 2018. Expression patterns of sex differentiation-related genes during gonadal sex change in the protogynous wrasse, *Halichoeres trimaculatus*. *General and Comparative Endocrinology*, 257: 67–73.

Imahara, Y., Yamamoto, H. H., Takaoka, H., Nonaka, M. 2017. First records of four soft coral species from Japan, with a list of soft corals previously found from the shallow waters of the Ryukyu Archipelago, Japan, and an overview on the systematics of the genera *Siphonogorgia* and *Chironophthya*. *Fauna Ryukyana*, 38: 1–30.

Kawazu, I., Okabe, H., Kobayashi, N. 2017. Direct Observation of Mating Behavior Involving One Female and Two Male Loggerhead Turtles in the Wild. *Current Herpetology*, 36(1): 69–72.

Kimura, K., Takagishi, M., Kawai, T., Imamura, H., Ho, H-C., Tomita, T., Tanaka, F., Shinohara, G. 2017. Record of a flathead fish, *Rogadius pristiger* (Cuvier, 1829) (Platycephalidae) from Taiwan. *Platax*, 14: 46–54.

Kobayashi, Y., Nozu, R., Nakamura, M. 2017. Expression and localization of two gonadotropin receptors in gonads of the yellowtail clownfish, *Amphiprion clarkii*. *Journal of Aquaculture & Marine Biology*, 5(3): 00120.

Kobayashi, N., Okabe, H., Kawazu, I., Higashi, N., Kato, K., Miyahara, H., Nakamura, G., Kato, H., Uchida, S. 2017. Distribution and Local Movement of Humpback Whales in Okinawan Waters Depend on Sex and Reproductive Status. *Zoological Science*, 34: 58–63.

Miyamoto, M., Kiyota, M., Hayashibara, T., Nonaka, M., Imahara, Y., Tachikawa, H. 2017. Megafaunal composition of cold-water corals and other deep-sea benthos in the southern Emperor Seamounts area, North Pacific Ocean. *Galaxea, Journal of Coral Reef Studies*, 19: 19–30.

Nishiguchi, Y., Tomita, T., Ihara, H., Kiuchi, S., Tani, A., Okada, M. 2017. Chemical composition of eggs from *Deania hystricosa*. *International journal of anatomical bioscience*, 5(4): 57–60.

Nozu, R., Murakumo, K., Matsumoto, R., Matsumoto, Y., Yano, N., Nakamura, M.,

Yanagisawa, M., Ueda, K., Sato, K. 2017. High-resolution monitoring from birth to sexual maturity of a male reef manta ray, *Manta alfredi*, held in captivity for 7 years: changes in external morphology, behavior, and steroid hormones levels. *BMC Zoology*, 2(1): 14.

Ohashi, S., Miyamoto, K. 2017. Report of a two spot cusk *Neobythites bimaculatus* from Japan with rare ocellus pattern. *Bull. Fish. Sci. Hokkaido Univ*, 67(2): 13–16.

Oka, S., Hanahara, N., Shintani, T. 2018. First Japanese record of the Mindoro snake eel *Lamnostoma mindorum* (Actinopterygii: Anguilliformes: Ophichthidae) from the Ryukyu Islands. *Fauna Ryukyuana*, 42: 5–8.

Okubo, N., Toshino, S., Nakano, Y., Yamamoto, H. H. 2017. Coral individuality – confluence of change physical splitting and developmental ability of embryos. *Scientific reports*, 7(1): 16006.

Tamura, J., Yanagisawa, M., Endo, Y., Ueda, K., Koga, H., Izumisawa, Y., Yamashita, K. 2017. ANESTHETIC MANAGEMENT OF AN INDO-PACIFIC BOTTLENOSE DOLPHIN (TURSIOPS ADUNCUS) REQUIRING SURGICAL DEBRIDEMENT OF A TAIL ABSCESS. *Journal of Zoo and Wildlife Medicine*, 48(1): 200–203.

Tashiro, F., Hibino, Y., Miyamoto, K. 2017. First Records of the Rare Snake Eel *Ophichthus exourus* (Pisces: Anguilliformes: Ophichthidae) from the Northern Hemisphere. *Species Diversity*, 22: 213–217.

Titova, O. V., Filatova, O. A., Fedutin, I. D., Ovsyanikova, E. N., Okabe, H., Kobayashi, N., Acebes, J. M. V., Burdin, A. M., Hoyt, E. 2018. Photo-identification matches of humpback whales (*Megaptera novaeangliae*) from feeding areas in Russian Far East seas and breeding grounds in the North Pacific. *Marine Mammal Science*, 34: 100–112.

Tomita, T., Miyamoto, K., Kawaguchi, A., Toda, M., Oka, S., Nozu, R., Sato, K. 2017. Dental ontogeny of white shark embryo. *Journal of Morphology*, 278 (2): 215–227.

Tomita, T., Nozu, R., Nakamura, M., Matsuzaki, S., Miyamoto, K., Sato, K. 2017. Live-bearing without placenta: Physical estimation indicates the high oxygen-supplying ability of white shark uterus to the embryo. *Scientific Reports*, 7(1): 11744.

Tomita, T., Toda, M., Miyamoto, K., Oka, S., Sato, K. 2018. Development of Lunate-Shape Caudal Fin in White Shark Embryo. *The Anatomical Record*, 301: 1068–1073.

Ueda, K., Nakamura, I., Itano E. N., Takemura, K., Nakazato, Y., Sano, A. 2017. *Trichosporon asteroides* Isolated from Cutaneous Lesions of a Suspected Case of “paracoccidioidomycosis ceti” in a Bottlenose Dolphin (*Tursiops truncatus*). *Mycopathologia*, 182(9–10): 937–946.

Wibowo, K., Toda, M., Motomura, H. 2017. Validity of *Abudefduf caudobimaculatus* Okada and Ikeda 1939 and synonymies of *Abudefduf vaigiensis* (Quoy and Gaimard 1825) (Perciformes: Pomacentridae). *Ichthyological Research*, 65(1): 78–91.
